I just want to say to my church, Calvary Chapel Beachside, and my God. A Big thanks for all you do for me and my family. In my lowest times, you are always there. I know it's all about God. My walk has been a battle down here, but with the help of my brothers and sisters, my church, and the main help out God - we will make it. Car news, I'm still having all kinds of worries. If it not one thing it's another. We are looking for a truck for work, that get good gas mileage (keep this lifted up in prayer).

Lupitas news letter

Summer time 2011

I am very grateful to God for their faithfulness and patience that I have, because although I am not what he wants to be and I'm stumbling and wrong ... my precious Lord continues to bless ... Thanks Daddy.

In August we visited the children of women in the rehabilitation center, first I have to tell them that God is good, because He knew that I carry in my heart for these women and children center for their lives have been difficult, it has been horrible things in the center seeking "drug cure" and my beautiful God does miracles in the lives of many, at first I had a longing in my heart, I had dreams and I plan to show my God.. . Now has given me the desire of his heart and showed me that if I keep their plans going before me to. The wonderful thing is the first time to invite the Church where I went as a child and now they are given me time to visit, I was the only means by which they knew they need there and where there is no need my brothers. There is the blessing and they have been a blessing and have been too ... I want to show how delicious it is to serve the Lord....

During the visit the children all went very fast because the children run, jump (I did exercise) learned new songs and were attentive to the class, the kids played so much, but we then had lunch ... "burgers and potatoes "and I remember Matthew 25:40, they also are the little ones.

The women were visited in September was a short devotional and the question was: which is what God just did in your life? ... We listen as God to see a heart humbled before him, gives you what you need: forgiveness, healing, guidance, and protection, restoration and just believe in him our Lord .

In October we started making scarves and hats for women in the center, they were given for Christmas, God willing.

Begin in November in a rehabilitation center hook weaving workshop, I ask prayer for this project, if you wish, you can send any type of material (hooks, needles, yarn ..) so that they can use

We are about to visit Casa Esperanza (a place for battered women and their children) is in Maneadero, Ensenada. They gather with us at Calvary Chapel Chapultepec.

I want to ask for prayer for these 2 places where many needs, join our prayer for protection, direction to their leaders, provision of all kinds, so that each of these families are restored and out with a decent place to live and continue doing the will of God which is always nice and perfect.

My email is lupitameza_2@yahoo.com can send your requests for prayer and be united in prayer with you, waiting for the mercy of God.

Thank you for supporting what we do with your prayers, financial support and especially thank my God for the opportunity to serve, Lord bless and keep you The Lord make his face shine upon you and be gracious to you; Jehovah turn his face and give you peace. Numbers 6:24-26.
